Next FALA meeting - August 28th at 1 pm at the Moreland's Farm, 671 E. Hwy 316 in Citra.

The 2012 calendar is ready, amazing as that sounds! I would like to personally thank Cheryl Lambert for her hard work in assisting me in this project and all the page sponsors for the timely manner in which they got their photos to us.

You may either click on the calendar photo above to go to the FALA website to view the entire calendar or I have also attached it, if you wish to download and look at it. This is FALA's main fundraiser, so please consider purchasing a calendar or two. The calendar is \$8 to members and \$10 to the general public. I will have them at the August 28th meeting at the Morelands, so you can save postage.

A Note From Our President -

Hi everyone,

Well we are halfway through Summer. I want to thank the Vollings for all they did and sharing their beautiful location and church hall for the FAMACHA Clinic. It was a really good and informative event. We will have great knowledge to share with everyone. Bruce and Kathi's llamas were so tolerant of all our poking and prodding. I also thank everyone who brought more than enough food for breakfast. What a great Llama/Alpaca community we have and it was really good to see everyone. The annual meeting is coming up in August at the Moreland's and membership dues can be paid there or send into the Treasurer. Mary Rose

Reminder - dues are due August 1st. If you joined in May or later you are good for the upcoming year. If you have a question as to whether you owe dues or not, contact Kathi Volling at VollingValley@aol.com Dues are still only \$20. The best value in the camelid industry!

Make the check out to FALA and mail to:

FALA, c/o Volling, PO Box 613, McIntosh, FL 32664
