

THE FLORIDA ALPACA BREEDERS ASSOCIATION PRESENTS

Your Fiber, Your Crop, Your Decisions

Date: March 21, 2020

Place: Golden Spirit Alpaca Ranch
10937 Tarpon Springs Rd.
Odessa, FL

Time: Registration 9:00am-10:00am **Seminar:** 10:00-???

Speakers: Brenda Crum and Lucy Lee Fowler

FEE: \$50.00 FABA Members \$75.00 Non-members

Spring is upon us and alpaca owners have another fiber harvest to manage. Getting that fiber off is always a task, but deciding what to do with the fiber from these cute and huggable alpaca can be taxing. So much information that sometimes seems to be a foreign language.

Take a day to learn about your fiber A-Z ! Speakers with over 20 years of experience hours of learning to buy, breed and produce will share information and thoughts about fiber qualities, alpaca traits and production needs all in a short few hours. Learn to assess your alpaca qualities, plan for shearing and prepare fiber for production. Yes! Get it out of the barn. You and other alpaca owners can gather for a day of learning and fun as we 'jump start' our planning for another great fiber crop.

At the end of this seminar the learner will be able to:

Identify traits and qualities of your alpaca fiber

Plan fiber testing and preparation

Evaluate processes and determine future changes
